AMERICAN CAPTURED

WILLIAM PITTHAM, WHO LAID
MINES AT BLUEFIELDS FOR IN-
SURGENTS, TAKEN BY MADRIZ
SOLDIERS—ANOTHER FIGHT.

(Herald Special.)

Bluefields, Nicaragua, June 4.—The government forces under General Chavarria have been defeated and put to rout at Cama by the insurgents under General Mena, according to reports received here today. When surrender was demanded Chavarria made a dash for the interior and ran into a trap laid for him, and after three hours of desperate fighting his forces fled in confusion. It is estimated that one hundred were killed and four hundred wounded during the engagement, mostly of the Madriz forces. Chavarria and his staff were taken prisoners. It is now believed the Estrada government will be recognized, as the chances of Madriz mustering a new force is slight.

William Pittham, the American who laid the mines at Bluefields for the insurgents, is reported captured by the Madriz forces, and is to be tried by court martial.

ANOTHER UPRISING

ALARMING REPORTS COME FROM
PARTS OF CHINA, WHERE ANTI-
FOREIGN DEMONSTRATION IS
GROWING SERIOUS AGAIN.

(Herald Special.)

Pekin, China, June 4.—A repetition of the Boxer uprising, only on a much larger scale, is feared by the officials in view of the alarming reports that are coming daily from parts of Hunan, Kiansu and Chilli provinces. The situation is analogous to the preceding outbreak. The cloak of anti-Manchuria uprisings has been thrown off

and the movement is now seen as anti-foreign. The foreign population is fleeing from the interior cities for protection. The worst trouble is expected in Nan King, and the government is rushing fresh troops to that section, as it is feared the troops now stationed there will prove disloyal and join the rioters.
